

ISRAEL DEFENSE FORCES

J7 - HEAD OF THE TRAINING, EVALUATION AND DOCTRINE DIVISION

*June 2020*

Dear Major Bradley a. Swanson

Director of Exercise and Training

U.S Central Command

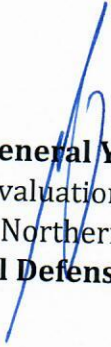

General Swanson,

As I near the end of my term as the head of the training, evaluation and doctrine division of the IDF, I would like to extend my sincere gratitude for your support and cooperation. Though the fruits of our cooperation are yet to blossom, I am confident that we are on the right path to ensure our forces can prepare better for contingency.

I am certain, and it is my hope, that my successor BG Avi Gil - a fine paratrooper, will continue the dialogue and will advance the cooperation between our organizations even further.

Wishing you, and your family all the best wishes and much health.

With friendship,

  
**Major General Yacov Bengo**  
Head of Training, Evaluation and Doctrine Division  
CG, Northern Corps
