Colonel Donn C. Yates
Commander, 4th Fighter Wing
USA Air Force

Dear Colonel Yates,

I would like to express my appreciation for the warm, hospitable and engaging visit to the 4th Fighter Wing of the United States Air Force. It was an honor and true pleasure to have visited your Wing and to get acquainted with your activity and action. Your Wing is an example of a wonderful and professional tradition. I am certain that this visit will strengthen the bonds of not only our Armed Forces, but our countries as a whole.

As discussed during our visit, I would like to invite you and your staff for another visit to Israel; our door is open for you at any time. Additionally, I will promote an exchange of pilots with the 69 Squadron of the Israeli Air Force.

As one of the students in the current class of the Israel National Defence College is assigned to be the next 69 Squadron Commander, it would be beneficial for him to visit your Wing during the visit of the Israel National Defence College to the United States in June 2020.

Once again, I thank you sincerely for the enriching and fruitful visit, and the warm hospitality. I hope to see you soon in Israel.

Yours Sincerely,

MG **Itai** **Veruv**
