Dear Mr. Sharav,

Thank you for your reservation. Attached you will find your confirmation with all the details for IffMuseum on 17/7/19 – Ness Ziona University.

**Please check on your confirmation letter if the correct program was reserved on the correct date and time.**

To help you to prepare your visit and to get more out of your visit to the In Flanders Fields Museum and the area, we developed new workshops, tours and worksheets.

You and your students can download the worksheets free of charge from our website:

<http://www.inflandersfields.be/en/educational-new>

Please note that the professors can accompany the students in the museum but are not allowed to guide them through the museum.

The museum is interactive and a guide is not really necessary. Our own museum guides are only possible with the use of headphones (so they do not disturb other people) and for groups up to 50 people maximum.

Of course, if the students have a question during the visits, the professors can answer them.

I wish the group a nice day in Ieper!

Kind regards,

Marjan Nachtergaele
