In addition to any terms defined in other provisions of this Memorandum of Agreement (MOA), the following terms shall have the following meanings when used herein:

1.1. “Classified Information” shall mean information that is generated by or for the Government of the United States of America or the Government of Israel or that is under the jurisdiction or control of one of them, and that requires protection in the interests of national security and is so designated by the application of a security classification marking. The information may be in oral, visual, magnetic, or documentary form, or in the form of equipment or technology.

1.2. “Contact Officer” shall mean a U.S. DoD official designated, in writing, to oversee and control all contacts, requests for information, consultations, access, and other activities of foreign Liaison Officers who are assigned to, or are visiting, Headquarters, USCENTCOM or a USCENTCOM Component or subordinate operational command.

1.4. “Host Government” shall mean the Government of the United States.

1.5. “Host Party” shall mean the U.S. DoD, as represented by USCENTCOM.

1.6. “International Visits Program” (IVP) shall mean the program established to process visits by, and assignments of, foreign representatives to U.S. DoD Components and U.S. DoD contractor facilities. 1.7. “Liaison Officer” shall mean a military member or civilian employee of the Parent Party who, upon approval of or certification by the Host Party or Host Government, is authorized by the Parent Party to act as its official representative in connection with programs, projects, or subjects of interest to the Parties' Governments.

**ARTICLE II
SCOPE**

2.1. During the term of this MOA, subject to the agreement of the Parties, the ISR MOD may assign military members or civilian employees of its armed forces to serve as Liaison Officers to USCENTCOM in accordance with the terms of this MOA. Each Liaison Officer may only be assigned to the Host Party’s command or organization set out in his or her assignment description, specified at Annex B (Assignment Description for Israeli MOD Foreign Liaison Officer Assignments With USCENTCOM) to this MOA.

2.2. The establishment of each Liaison Officer assignment under this MOA shall be based upon the demonstrated need for, and the mutual benefit of, this assignment to the Parties. Once established, each Liaison Officer assignment shall be subject to periodic review by either Party to ensure that the assignment continues to be required by, and is of mutual benefit to, the Parties. The Parties agree that a Liaison Officer assignment no longer required by, or of mutual benefit to, either Party shall be subject to elimination.

2.3. Commencement of such an assignment by the Parent Party shall be subject to any requirements that may be imposed by the Host Party or the Host Government regarding formal certification or approval of Liaison Officers. Liaison Officers to be assigned by their Parent Party to locations in the United States pursuant to this MOA shall be processed pursuant to the IVP, as defined in Article I (Definitions) of this MOA.

2.4. Unless otherwise agreed, the normal tour of duty for a Liaison Officer shall be twenty-four (24) months.

2.5. An individual may serve as a Liaison Officer with one command or organization of the Host Party at any point in time, in accordance with the assignment description specified at Annex B (Assignment Description for Israeli MOD Foreign Liaison Officer Assignments With USCENTCOM) to this MOA.

ARTICLE III DUTIES AND ACTIVITIES

3.1. Each Liaison Officer shall represent the Parent Party to the Host Party. Each Liaison Officer shall not perform duties reserved by the laws or regulations of the Host Government to officers or employees of the Host Government, nor shall a Liaison Officer provide any labor or services to the Host Government or any of its agencies, including the Host Party.

3.2. Each Liaison Officer shall be required to comply with all applicable Host Government policies, procedures, laws, and regulations. The Host Party shall assign a Contact Officer to provide guidance to the Liaison Officer concerning policies, procedures, laws, and regulations of the Host Party, and to arrange for activities consistent with such requirements and the purposes of this MOA.

3.3. Each Liaison Officer may request access to Host Party facilities by submitting a request to the Contact Officer. Access to Host Party facilities may be granted if such access promotes the purposes of this MOA, is consistent with the terms of any applicable certification or approval issued by the Host Government, and is permitted under the applicable policies, procedures, laws, and regulations of the Host Government. Approval of such requests shall be at the discretion of the Host Party. Any request for access that exceeds the terms of an applicable certification or approval shall be submitted through the Contact Officer.

3.4. Liaison Officers shall not be granted access to technical data or other information of the Host Party, whether or not classified, except as authorized by the Host Party, and only to the extent necessary to fulfill the Liaison Officer's functions hereunder.

3.5. All information to which a Liaison Officer is granted access while serving as a Liaison Officer to the Host Party shall be treated as information provided in confidence to the Parent Government and shall not be further released or disclosed by the Liaison Officer to any other person, firm, organization, or government without the prior written authorization of the Host Government. Disclosure of information to a Liaison Officer shall not be deemed to be a license or authorization to use such information for any purpose other than the purposes described in Article II (Scope) of this MOA.

Nothing in this MOA shall be construed by the Parties to authorize unfettered access to Classified Information or CUI residing in the Host Party's facilities or computer systems.

5.2. The ISR MOD shall cause Security Assurances to be filed, through the Embassy of Israel in Washington, DC, stating the security clearances for the Liaison Officer being assigned by the ISR MOD. The Security Assurances shall be prepared and forwarded through prescribed

channels in compliance with established Host Party procedures. For the U.S. DoD, the prescribed channels shall be the IVP, as defined in Article I (Definitions) of this MOA.

5.3. The Parent Party shall ensure that each assigned Liaison Officer is fully cognizant of, and complies with, applicable laws and regulations concerning the protection of intellectual property rights and proprietary information (such as patents, copyrights, know-how, and trade secrets), Classified Information, and CUI disclosed to the Liaison Officer. This obligation shall apply both during and after termination of an assignment as a Liaison Officer. Prior to taking up duties, each Liaison Officer shall be required to sign the appropriate certification using Annex A (Terms of Reference and Legal Status Certification) to this MOA. Only individuals who execute a Terms of Reference and Legal Status Certification shall be permitted to serve as Liaison Officers.

5.4. The Parent Party shall ensure that its Liaison Officer, at all times, complies with the security laws, regulations, and procedures of the Host Government. Any violation of security procedures by a Liaison Officer during the Liaison Officer's assignment shall be reported to the Parent Party for appropriate action. Upon request by the Host Party, the Parent Party shall remove any Liaison Officer who violates security laws, regulations, or procedures during the Liaison Officer's assignment.

5.5. All Classified Information made available to a Liaison Officer shall be considered Classified Information furnished to the Parent Government, and shall be subject to all provisions and safeguards provided for under the General Security of Information Agreement Between the Government of the United States of America and the Government of Israel, concluded by exchange of notes at Tel Aviv and Jerusalem July 30 and December 10, 1982, and entered into force December 10, 1982, including the Industrial Security Annex, dated March 3, 1983, as amended. Accordingly, each Party shall ensure that:

5.5.3.3. The recipients shall not use the Classified Information for other than the purposes provided for in this MOA.

5.5.3.4. Each Party shall provide receipts for all Classified Information or material received.

5.5.4. Each Party shall undertake to maintain the security classification assigned to information and material by the originating Party.

5.5.5. The Parties shall investigate all cases in which it is known, or where there are grounds for suspecting, that Classified Information or material provided or generated pursuant to this MOA has been lost or disclosed to unauthorized persons. Each Party also shall promptly and fully inform the other Party of the details of any such occurrences, and the final results of the investigation and the corrective action taken to preclude recurrence.

5.5.6. For any facility wherein Classified Information or material is to be used, the responsible Party shall approve the appointment of a person or persons to exercise effective responsibilities for safeguarding at such facility the information or material pertaining to this MOA. These officials shall be responsible for limiting access to Classified Information or material involved in this MOA to those persons who have been properly approved for access and have a need to know.

5.5.7. Each Party shall ensure that access to the Classified Information is limited to those persons who possess security clearances and have a specific need for access to the information in order to participate in the Program.

5.6. A Liaison Officer shall not take custody of Classified Information or CUI in tangible form (for example, documents or electronic files), except as expressly permitted by the terms of the Host Party certification for the Liaison Officer (and requested in writing by the Parent Government) for the following situations:

5.6.1. Couriers. The Liaison Officer may take custody of Classified Information to perform courier functions, when authorized by the Host Party certification for the Liaison Officer. The Classified Information shall be packaged and receipted for in compliance with Host Party requirements.

5.6.2. On-Site Storage. The Liaison Officer may be furnished a secure container for the temporary storage of Classified Information, consistent with the terms of the certification, provided the security responsibility and control of the container and its contents remain with the Host Party.

**ARTICLE VI
TECHNICAL AND ADMINISTRATIVE MATTERS**

6.1. The Host Party's certification or approval of an individual as a Liaison Officer shall not bestow diplomatic or other special privileges upon that individual.

6.2. To the extent authorized by the laws and regulations of the Host Government, and in accordance with Article IV (Financial Arrangements) of this MOA, the Host Party may provide such administrative support as is necessary for the Liaison Officer to fulfill the purposes of this MOA, subject to reimbursement by the Parent Party.

6.3. Exemption from taxes, customs or import duties, or similar charges for each Liaison Officer or his or her dependents shall be governed by applicable laws and regulations or international agreements or arrangements between the Host Government and the Parent Government.

6.4. If office space is provided to a Liaison Officer by the Host Party, the Host Party shall determine the normal working hours for the Liaison Officer. Access outside of normal working hours shall be coordinated through the Host Party Contact Officer to the Host Party Security Officer.

When a reciprocal agreement for health care exists between the Parties, the access entitlements of the Liaison Officer and his or her dependents are specified in such agreement. Except as specifically provided by agreement or Host Party law and policy, each Liaison Officer shall be responsible for all medical and dental costs incurred by the Liaison Officer and his or her dependents. The Parent Party shall be responsible for familiarizing itself with the medical and dental services available to each Liaison Officer and his or her dependents. The Parent Party shall ensure that each Liaison Officer and his or her dependents are physically fit prior to the Liaison Officer's tour of duty.

6.7. Each Liaison Officer and his or her dependents may be accorded the use of military commissaries, exchanges, theaters, and similar morale and welfare activities, in accordance with the laws, regulations, and policies of the Host Party and any international agreements or arrangements to which the Host and Parent Parties are party.

6.8. To the extent permitted by the laws and regulations of the Host Government, and subject to reimbursement by the Parent Party, the Host Party may provide, if available, housing and messing facilities for each Liaison Officer and his or her dependents on the same basis and priority as for its own personnel of comparable rank and assignment. At locations where housing and messing facilities are not provided by the Host Party, the Host Party shall use reasonable efforts to assist the Parent Party to locate such facilities for each Liaison Officer and his or her dependents.

6.9. Except as provided in paragraph 7.2. of this MOA, neither the Host Party nor the armed forces of the Host Government may take disciplinary action against a Liaison Officer who commits an offense under the military laws or regulations of the Host Party, nor shall the Host Party exercise disciplinary authority over the Liaison Officer's dependents. The Parent Party, however, shall take such administrative or disciplinary action against the Liaison Officer as may be appropriate under the circumstances, to ensure compliance with this MOA and the Parties shall cooperate in the investigation of any offenses under the laws or regulations of either Party.

7.2. The certification or approval of a Liaison Officer may be withdrawn, modified, or curtailed at any time by the Host Party for any reason, including, but not limited to, the violation of the regulations or laws of the Host Party or the Host Government. In addition, at the request of the Host Party, the Parent Government shall remove a Liaison Officer or his or her dependents from the territory of the Host Government. The Host Party shall provide an explanation for its removal request, but a dispute between the Parties concerning the sufficiency of the Host Party's reasons shall not be grounds to delay the removal of a Liaison Officer or his or her dependents.

7.3. A Liaison Officer shall not exercise any supervisory or disciplinary authority over military or civilian personnel of the Host Party.

10.4. This MOA may be amended by the mutual written agreement of the Parties. Annexes appended to this MOA are intended to be an integral part hereof and may include additional provisions and prerequisites specific to particular assignments, and may be revised in writing by the Parties or their designees without amending this MOA.

10.5. This MOA may be terminated at any time by written agreement of both Parties. In the event both Parties agree to terminate this MOA, the Parties shall consult prior to the date of termination.

10.6. Either Party may terminate this MOA upon one hundred eighty (180) days' written notification to the other Party.
