March 2nd 2020

Brigadier General Jeremy T. Sloane
Commandant of the Air War College
United States Air Force

Dear General Sloane,

I was very sorry to hear about the cancelation of the visit of the Air War College to Israel, although I certainly understand the special circumstances that led to the decision. We are in a very challenging time, and we too have to make some difficult decisions regarding international travel.

We remain ready to host you, the college staff and your students in Israel, whenever the circumstances allow so. I would also like to take this opportunity and offer to expand the cooperation between our institutions.

Hope to meet you in the near future, in good health.

Yours Sincerely,

MG
