Leonardo Boutique Munich

The Leonardo Boutique Hotel Munich welcomes its guests as a design hotel in the popular cultural center of Munich. On foot you can reach the center »Marienplatz« in about 15 minutes. But also the main station, the airport or the exhibition center »Messe München« can be reached by public transport in a short time.

The past and the present merge here under one roof, creating an inspiring living experience and a home with artistic background. 74 rooms offer an individual atmosphere combined with modern design: fresh, young and stylish. The day begins with a rich breakfast, later you can meet for a coffee or a drink in the lounge, the »Lobby Club«.
