## Important Information

Your trip includes travel to one or more APIS destinations and information about you such as your nationality, passport details, gender and date of birth (as well as address of 1st night stay if destination is the US) are required to be submitted to the local authorities, by the airline, prior to commencement of travel. Your traveller profile does not contain all the required information for us to automatically transmit this data on your behalf **so you will need to provide this data at check-in.** Alternatively, you can contact your HRG travel office with the relevant information and we can submit it in advance of check-in. In either case, **please create or update your Traveller Profile with all missing APIS information and we can automate this process on all your future trips.**

This email has been generated by an electronic process and replies will not be actioned.

PLEASE CHECK THE FOLLOWING CAREFULLY TO ENSURE ALL DETAILS ARE CORRECT

Electronic Ticket Reservation. This itinerary is required for travel.

**A valid passport (and visa if required) is required for all international flights**

If you are travelling on a NATO Travel Order to the USA with Virgin Atlantic you must advise HRG. It is not possible to check in online or using the airline kiosks when travelling on a NATO Travel Order as this requires your military ID and if your passport details are entered into your Virgin reservation then your booking requires manual handling to release it. The system will pick up the lack of Visa or ESTA and block that reservation from continuing with the check in process.

**For all US Travel, please note that Baggage Allowance Fees may apply – Please contact Supplier**

Bookers/travellers are required to check the Passport and Visa requirements of the country they are visiting (see [www.fco.gov.uk/travel](http://www.fco.gov.uk/travel)).

If a visa is required travellers are to note that the Defence Passenger Reservation Centre Visa section processes visa applications for all UK based service personnel MOD civilians and their dependants if necessary who are required to travel overseas on temporary duty or posting.

The MoD visa section is contactable on 0207 2184366 (Military: 962184366)

**Other Important Information**

**Complying with the duty to verify a booking confirmation**

Please check all the information contained in this booking confirmation carefully. You are required to notify us of any mistakes it contains immediately and no later than on the date the booking is made. If we do not receive notification until after the booking date it may no longer be possible to make any corrections or changes etc. for the same price and/or the same dates and/or the same routes.

Please note the following points:

1. It is essential that the names of the traveller(s) on the travel documents match the names in the passports/identity cards they are carrying.
2. The travel schedule and confirmed prices are in accordance with those applicable at the time the confirmation is sent. However, please bear in mind that the service providers (airlines, hotels etc.) expressly reserve the right to make changes to the prices, currency exchange rates

and flight schedules at any time.

3. All of the prices quoted are only valid at the time a booking is made.

4. Like other travel agencies and airlines, HRG is required by law to provide customs and immigration authorities with the flight and booking details of all passengers.

5. The terms and conditions of the service provider concerned for travel, rebooking and cancellation, and the limitation on liability of the IATA which are accessible at [www.iatatravelcentre.com/tickets](http://www.iatatravelcentre.com/tickets) apply at all times.

6. Flights must be cancelled prior to the specified check-in time since the airlines will not, as a rule, guarantee reimbursement for "no-shows".

Please note that some airlines insist that flight coupons are used in the order they were booked. Boarding a flight late or missing a flight completely for example can lead to cancellation of the entire reservation and/or cause the airlines to impose an additional charge at the standard rate.

#### Check-in

Check in times may vary depending on your itinerary and airline - please check with the airlines to confirm check-in times. Airlines will not allow passengers to board flights after the specified check-in times. HRG recommends you use the online check-in service where possible to save time. For some airlines fees may apply when using their airport check in counters instead of self service machines or online check-in.

#### Baggage Conditions

Some airlines impose additional charges for carrying baggage – please check with your airline to confirm your entitlement.

Please contact your travel office for any queries quoting your booking reference on +44 (0)203 668 2210. If you need emergency assistance outside of office hours then your call will automatically divert to our 24 Hours emergency service, please note there is an additional charge for using the emergency service. Thank you.

New US law allows border control agencies access to airline passenger data on flights that include sectors to or in the US regardless of where the journey started.
