

Brazilian Army Training Chief Visit Preparation

1. Previous meeting (April 13th)

During the meeting were present the Col RAED, Israel Defense Attaché, Col Gonçalves and Col Evangelista. In that opportunity, it was presented the main proposal dates for the Land Commander Operations Visit and also the goal to visit the IDF Training Center and one Operational Unit.

2. Current situation

a. The Land Operations Commander visit was cancelled. However, he will be represented by Brazilian Army Training Chief **Major General CARLOS JOSÉ RUSSO ASSUMPÇÃO PENTEADO**, General PENTEADO (two stars), and one more full Colonel. (Total: 02 militaries personnel)

b. Visit proposals

The mail goal – the Brazilian Army intends to start a new conscription training process, the main idea is to conduct the Basic Training at one Center in each Regional Command, thus the interest in visiting other international centers to permit a better understanding of IDF's conscription process and improve the Brazilian project.

Second goal – The Brazilian Army intends to improve the military professional skills after the initial mandatory military service. For that, the Army Training Chief would like to visit one IDF Operational Unit to understand better the Israel military professional process.

Third goal – The Army Training Chief is responsible to handle the simulation training processes in the Brazilian Army, so this opportunity to visit a military company with focus on simulation will be important.

3. Proposal dates

1st option – from October 29th to November 2nd.

2nd option – from October 15th to 19th.

4. Confirmation Deadline

Because of the Brazilian Army tickets acquisition processes, we need the confirmation until **September 28th**.
