Col. Rick Thompson
DEFENCE ATTACHE'
EMBASSY OF CANADA IN ISRAEL

Dear Col. Thompson,

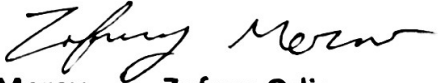

We are in a complex time, full with uncertainty. We pray for the recovery of all patients, and a quick return to routine.

I am writing in order to inform you that despite the challenging period, we are in the process of preparing for the next school year at the National Defense College. In this regards, we are making all the necessary arrangements to open the school year as planned on September 2nd, 2020.

We are very pleased that Canada has decided to send a student for the next school year, and I would like to request that, as much as possible, the Canadian officer will arrive in Israel at the beginning of July. This will give him/her ample time for 14 days in quarantine, as we plan to begin the summer (preparation) course for the international participants towards the end of July.

I would appreciate it if you could keep me informed regarding the expected arrival time of the Canadian officer for the next school year. Please feel free to contact me with any question you may have.

Best regards,

Merav Zafary-Odiz
Chief Instructor
