Dear General,

1. The International Strategic Management Tour for participants of the Higher Defence Management Course (HDMC-14) to Israel from 22 to 27 Oct 18 was conducted in a highly professional manner. The visit provided the HDMC participants an insight into the strategic issues, national security imperatives and the foreign policy aspects of importance to the State of Israel.
2. The interactions with the Chief Instructor and faculty at the NDC and Dado Center were highly informative and well appreciated by the visiting team. The interaction gave a fresh perspective to the participants of HDMC 14 on the geopolitical situation of the region, great insight into the functioning of National Defence College and the course curriculum being followed at the college.
3. I, as Commandant would also like to express my sincere gratitude for the professional interaction and meticulous conduct of the visit.

With warm regards
Yours Sincerely
Sandeep
