Lieutenant General Lamprakis Dimitriou
Commandant of HNDC

Dear General Dimitriou,

I would like to express my appreciation for the hospitable and engaging visit at the HNDC. It was an honor and true pleasure to have visited your College and to get acquainted with your beautiful country and your national security challenges. Your institution is an example of academic excellence and your country is a hub of history and culture. I am certain that this visit will strengthen the bonds of not only our institutions, but our countries as a whole.

As discussed during our visit, I would like to offer to further our cooperation and exchange of knowledge by the following:

1. Inviting you and your staff to visit Israel and the INDC in order to continue our discussion regarding our common challenges in educating seniors at the strategic level.
2. Inviting the students of HNDC to visit Israel as part of their annual trips abroad.
3. Kindly requesting that you extend an invitation for a student from the Greek Armed Forces to participate in our International Fellowship Program at the INDC Starting July 2020.

Once again, I thank you sincerely for the enriching and fruitful visit, and the warm hospitality. I hope to see you soon in Israel.

Yours Sincerely,

MG **Itai** **Veruv**
