

ISRAEL DEFENSE FORCES
INDC & The Military Colleges

To Whom It May Concern,

We are pleased to accept Colonel Patrick Lemyre to the 2018-2019 class of the INDC.

Enclosed is useful information on enrollment for the upcoming international students attending Israel's National Defense College.

Military participants at the INDC are either acting or incumbent full Colonels to Brigadier Generals. For the sake of the student, we seek officers with an open professional horizon so that the human networking conducted during their year long experience in Israel will continue to facilitate the cooperation between our two countries.

The INDC is located in the army base in Gilot. The base is between the city of Tel Aviv and Herzliya. Thus, we highly suggest providing accommodation in this area.

The Summer Course will be held from July 2nd, 2018 to August 30th, 2018. It will be followed by the INDC Course, which will be held from September 2nd, 2018 to the end of July 2019. The INDC students will attend classes four or five days a week, including one day at the University.
