IDF MILITARY COLLEGES

AUGUST 2019

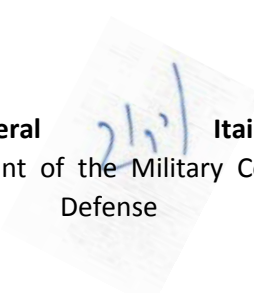

Dear Rachel Salle,

On behalf of the Israel National Defense College, I would like to thank you for delivering an insightful brief to our participants.

An integral component of our tour of the United States was to study Israeli and American bipartisan political cooperation. Your talk was excellent exposure for our participants to understand the extent and success of AIPAC's advocacy for Israel.

We greatly appreciate you taking time out of your busy schedule to participate in our tour of Washington, D.C. We appreciate the continued and proven support from AIPAC and greatly benefited from learning about such support.

Best wishes,

**Major General**  **Itai Veruv**  
Commandant of the Military Colleges
