

ISRAEL DEFENSE FORCES

INDC & THE MILITARY COLLEGES

September 12th, 2018

Dear COL RAUL P VILLANUEVA,

We have received the request by the Armed Forces of the Philippines Command and General Staff College to visit the IDF Military Colleges.

Unfortunately, due to time constraints and a load of course activities, we will not be able to host the visit. We truly appreciate your request and hope we might be able to find a more suitable time in the future.

At this time I wish to pass on best wishes for the Jewish New Year. May this be a special time for you and your family.

Sincerely,

MAJ Ido Soceanu
Head of International
Fellowship and Cooperation Desk
INDC and the IDF Military Colleges
